

Registration: www.ourshot.in.gov

- Advance registration required. Loved ones & caregivers may register for the 80+ year old person.
- Picture ID & insurance card must be brought to vaccination appointment.
 - Vaccine is free. If there is insurance, it may be billed for administration of vaccine.
- **Attached please find-step-by-step instructions for registering on www.ourshot.in.gov**
- Registration site is designed to put visitors into a holding queue when volume is high.
 - May result in longer wait times or error message
 - Check back later. (I have experienced both an error message & being able to get right through this morning.)
- **Older adults who need help registering may call**
